Dear Sir,
We are pleased to propose an event titled **Novus**, which is tentatively scheduled to be organized on **10-10-2026**. We are planning to conduct an **Arts-based activity** designed to encourage students to express their creativity, explore their artistic skills, and actively participate in a fun and engaging environment.
Event Details:

Event Name: Novus

Tentative Date: 10-10-2026

Target Audience: 1st-year students

Duration: 1 day

Registration Fee: Free

Activity: Arts and Creative Expression

The activity will provide students with an opportunity to showcase their creativity through various art-related activities. It aims to encourage participation, teamwork, creative thinking, and self-expression while providing students with an enjoyable learning experience.
We kindly request your approval to organize this activity as part of the Novus event. We look forward to your support and guidance in making the event engaging and successful for all participants.
Yours sincerely,
